ATTORNEY FOR PLAINTIFF

- 1        2. The claims upon which this suit is based occurred in this judicial district.
- 2        3. Plaintiffs are informed and believe, and on that basis allege, that each of the
- 3        named Defendants reside in this judicial district.

4

5 **II. PARTIES**

6       2.1 Plaintiff BRENDAN DUNN is a single man residing primarily in the State  
7       of New York, in Utica, in ONEIDA COUNTY within the NORTHERN DISTRICT OF  
8       NEW YORK. Plaintiff was victimized twice: first by a violent false arrest and false  
9       allegation that he had assaulted an officer and was a threat to officer safety, and  
10       secondly that, after agreeing to do so as part of a civil monetary settlement, the City  
11       failed to remove the false allegations and alert codes, which then remained in the  
12       system for another seven years until discovery by Plaintiff after a series of warrantless  
13       stops in Upstate New York.

14        2.2    Defendant CITY OF SEATTLE is a municipality in KING COUNTY, in this  
15    judicial district, organized under the laws of the State of Washington.

16        2.3 DOES 1-100 are, and were at all times mentioned herein, the employees  
17        of the Seattle Police Department, Seattle City Attorney's Office, and any other involved  
18        City of Seattle Department or Agency, who was charged with the responsibility of  
19        removing the alert codes and warning about Plaintiff from all databases in which they  
20        resided. and in committing the acts and omissions herein alleged, acted under color of  
21        state law as agents of the City of Seattle and/or any political subdivision thereof.

1           2.4 Does 101-200 are the supervisors, managers, and other officials and  
2 management who should have ensured that the agreement was carried out and the  
3 alerts and warnings on Dunn were removed from all databases and double-checked to  
4 make sure they were completely purged.

5           2.5 This action is brought pursuant to the Fourth, Fifth, and Fourteenth  
6 Amendments to the United States Constitution and common law torts.

7           2.6 On July 14, 2016, Plaintiff properly served the City of Seattle with an  
8 originally signed claim. The City never responded, and this action now proceeds.

9

10           **III. FACTS**

11           3.1 On November 5, 2006, Plaintiff BRENDAN DUNN and two friends JACOB  
12 ERWIN and RYAN TOMPKINS were sitting on a hillside in Cal Anderson Park with an  
13 anarcho-syndicalist flag on a flimsy pole, eating their lunch and watching an anti-war  
14 rally below,

15           3.2 They engaged in no suspicious or illegal activity at any time.

16           3.3 SPD Officer MATTHEW HYRA approached the three and proceeded to  
17 yank the flag from ERWN's lap and march away with it.

18           3.4 HYRA then arrested TOMPKINS for taking pictures of HYRA with the flag

19           3.5 DUNN and ERWIN were also arrested, ERWIN for obstructing HYRA and  
20 resisting arrest and DUNN for felony assault for supposedly choking HYRA even  
21 though neither he nor either of the others ever touched HYRA.

1           3.6 The charges against all three were dismissed, DUNN's on a Motion to  
2 Dismiss in the Interest of Justice by the KING COUNTY PROSECUTOR's Office and  
3 ERWIN and TOMPKINS' charges on a defense motion. In dismissing the charges  
4 against ERWIN and TOMPKINS, the Seattle Municipal Court Judge hearing the case  
5 described HYRA as out of control.

6           3.7 After arresting, DUNN, HYRA entered alert codes into the Seattle, WSP and  
7 National Crime Information Center (NCIC) databases that read as follows:

7           3.8 None of this information about DUNN's supposed actions or about  
8     supposed violent tendencies was true, and all of it was designed to create a threat to  
9     DUNN and result in future harassment, and potentially violence and lethal law  
10    enforcement action towards him

11           3.9 There is no way HYRA could have believed this information was true when  
12    he entered it into the database.

13           3.10 That information was used by other agencies to build a dossier on DUNN  
14    and to create a domestic terrorism datasheet about him that was distributed widely by  
15    the Washington State Patrol (WSP) Pierce County Sheriff's Office, Tacoma Police  
16    Department, and other agencies despite the dismissed charges and the settlement of  
17    the civil case.

18           3.10 DUNN, ERWIN, and TOMPKINS proceeded to file a civil case, which  
19    settled on the eve of trial, on December 2, 2009 for substantial monetary  
20    compensation and an agreement by the CITY OF SEATTLE that they would have all  
21    art codes and warnings about DUNN removed from all databases.

1           3.11 As Settlement discussions were taking place, HYRA quietly renewed the  
2 alert codes on November 9, 2009.

3           3.12 Despite the agreement by all parties and a specific agreement by the  
4 attorney in the Seattle City Attorney's Office who then represented the Department, as  
5 opposed to the hired outside counsel who represented the officers pursuant to the  
6 then current collective bargaining agreement, the alert codes and warnings were never  
7 removed from the WSP, NCIC, and perhaps other system.

8           3.13 Plaintiff did not discover this until he began repeatedly getting pulled over  
9 in 2015-2016 without cause in Upstate New York, where he by then had moved.

10          3.14 One of the State Troopers mentioned that there was a warning about him  
11 in the system from Washington State and that was why he was getting pulled over.

12          3.15 Plaintiff then, through counsel filed a Public Records Act request with the  
13 Washington State Patrol.

14          3.16 The request was answered in late January of 2016 and appeared to show  
15 that the alert codes and warnings were still active in the system.

16          3.17 On February 3, 2016, counsel for Plaintiff wrote a letter to the Seattle City  
17 Attorney's Office asking for confirmation that the alter codes and warnings were still in  
18 the WSP and NCIC systems and asking the City to have them removed.

19          3.18 On February 19, 2016, attorney Scott Kennedy of the Seattle City  
20 Attorney's Office contacted counsel for Plaintiff by phone and confirmed that the alerts

1 and warnings had remained in the systems for the intervening six plus years since  
2 they were to have been removed, and that the City had taken steps to remove them.

3 3.19 On February 25, 2016 Scott Kennedy sent counsel for Plaintiff a letter  
4 confirming that the alerts and warnings had been removed from the system and  
5 attached verification.

6 3.20 A copy of that letter and verification are attached to this complaint as  
7 Exhibits 1 and 2.

8 3.21 With the alerts and warnings out of the databases, the stops of Plaintiff  
9 decreased markedly.

10 3.22 Plaintiff was an is extremely distressed to have been repeatedly pulled  
11 over because of the alerts and warnings that were false to begin with and were  
12 supposed to have been removed from the systems in question, and outraged to  
13 discover that they were allowed to remain in the WSP, NCIC, and potentially Avast  
14 number of other databases for many years after they were to have been removed by  
15 agreement in Federal Court.

16 3.23 But for a chance comment by a New York State Trooper and  
17 Plaintiff's diligence, the alters and warnings would still be in the databases as a ticking  
18 timebomb, potentially leading an officer to drastically over-react to any incident on the  
19 belief that Plaintiffs was likely to assault him and might try to take his weapon away  
20 from him.
